

Strategy 5 of 5

## 23g Expanded Learning Time

[Edit Strategy Implementation Plan](#)

### Strategy Details

EdTrust defines expanded learning time (ELT) as programs or strategies implemented to increase the amount of instruction and learning students experience. ELT strategies include afterschool, summer, and in-school programs. The evidence suggests that extended learning time programs, including extended school day (ESD), extended school year (ESY), and expanded learning opportunities (ELO) programs that provide academic services during out-of-school time hours, can be effective in improving a range of educational outcomes for students. Findings also suggest that extended learning time programs may be more advantageous for low-income, low-performing, ethnic minority or otherwise disadvantaged students.

Strategy Owner

Amy Albrecht

Start Date

10/25/2023

Due Date

09/30/2025

Building(s)

- All Active Buildings

### Strategy Implementation Activities
