

Teacher Name: Mr. Krawczak and Mrs. Hopper

School Year: 2021-2022

Student Name: Jane Doe

Academic Standards

- 4: Works Beyond the Standard
 3: Meets the Standard or Benchmark
 2: Approaches the Standard or Benchmark
 1: Needs more Time and Support to develop

Standard: End of the year goal**Benchmark:** A skill to be met before the end of the year.

* : An asterisk indicates that a comment about or change in instructional delivery

N/A : A grade was not available.

 : a shaded box means it is not an appropriate time to evaluate.

About This Report Card

For over two decades Nottawa Community School District has used Standards Based Reporting to help families answer the question, how is my child doing? Before standards based reporting schools averaged many skills in one letter grade.

Standards Based Reporting communicates learning expectations as clear targets instead of just averages. Clear targets improve communication between school and home and let the parent know what their child is learning in school.

For more information about standards based grading please see our school website: nottawaschool.org and select Standards Based Grading.

~Jerome Wolff (Superintendent/Principal)

LANGUAGE ARTS**Reading**

F W S

Reads and comprehends literature

2.5

Reads and comprehends nonfiction (informational) text

Writing

F W S

Write argumentative pieces on topics or texts, supporting a point of view with reasons and information from credible sources.

Produce informative writing to convey ideas and information clearly through organization and analysis of related sources.

Use narrative techniques such as: dialogue pacing, and description to develop experiences, events, and/or characters.

Listening and Speaking

F W S

Present claims and findings, emphasizing valid points with relevant evidence, and sound reasoning. Use appropriate eye contact, adequate volume, and clear pronunciation.

Conventions

F W S

Demonstrates correct uses of English grammar, usage, conventions, and spelling when writing and when speaking.

Mathematics			
Ratios and Proportional Relationships	F	W	S
Extends concepts of ratio and proportion to solve problems	2.5		
Geometry	F	W	S
Uses concepts of geometric relationships to solve equations to find unknown angles in a figure			
Uses formulas for circumference and area of circles to solve problems			
Expressions and Equations	F	W	S
Understands and applies algebraic concepts to symbolize and solve equations			
Uses properties of operations to generate equivalent expressions			
Numbers Systems	F	W	S
Uses addition and subtractions of positive and negative fractions and decimals to solve problems			
Uses multiplication and division of positive and negative fractions and decimals to solve problems.			

Science			
Earth Science	F	W	S
Understands basic concepts of Earth's tectonic plates	2.5		
Understands basic concepts of rock cycle			
Understands basic concepts of the distribution of natural resources			
Understands the causes and effects of earthquakes and volcanoes			
Understands the causes and effects of tsunamis and mass wasting			
Understands the concepts of how energy moves through Earth's spheres.			
Life Science	F	W	S
Understands concepts of how living organisms use resources to survive			
Understands concepts of how living organisms interact			
Understands concepts of how ecosystems change over time			

Social Studies			
History	F	W	S
Read and comprehend a historical passage to identify basic factual knowledge of who, what, where, when, and why events led to the resulting outcomes.	2.5		
Examine early civilizations to describe their common features, including environment, economies, and social structure.			
Determine the meaning of words and phrases as they are used in a text, including vocabulary specific to history/social studies.			

Educational Technology (X = Student Participates in Activities)			
Keyboarding	X		
Digital Citizenship	X		
Word Processing	X		
Spreadsheets	X		
Presentation	X		
Educational Websites	X		

Physical Education(X = Student Participates in Activities)			
Health	F	W	S
Hygiene	X		
Social Skills	X		
Nutrition			
Healthy Living and Substance Abuse			
Football Unit	F	W	S
Manipulative Skills: effectively passes, catches, kicks	3		
Identifies and understands rules /vocabulary	3		
Soccer Unit	F	W	S
Manipulative Skills: effectively passes, dribbles, shoots	3		
Identifies and understands rules /vocabulary	3		
Volleyball Unit	F	W	S
Manipulative Skills: effectively serves, bumps, sets			
Identifies and understands rules /vocabulary			

Floor Hockey Unit	F	W	S
Manipulative Skills: effectively sweeps, dribbles, shoots			
Identifies and understands rules /vocabulary			
Basketball Unit	F	W	S
Manipulative Skills: effectively passes dribbles, shoots			
Identifies and understands rules /vocabulary			
Softball Unit	F	W	S
Manipulative Skills: effectively throws, stitches, hits			
Identifies and understands rules /vocabulary			
Locomotor Skills	F	W	S
Invasion games-locomotor skills: leap, flee, dodge, jump, run, (jump rope, capture the flag, tag) Non-manipulative games: landing, balance, pulling, twisting, fleeing, stretching, etc.	3		

Employability Skills			
Participation	F	W	S
Contributes to classroom discussion			
Stays focused during whole-class activities			
Stays focused during assigned seatwork			
Work Completion	F	W	S
Follows a set of instructions for assignments			
Keeps track of Assignments and completes them on time			
Demonstrates Effort			
Behavior	F	W	S
Follows routine or new directions given by teacher			
Helps others follow directions	q		
Treats peers with respect			
Working in Groups	F	W	S
Listens to the opinions and ideas expressed by others with respect			
Works in a cooperative manner to keep group on task			
Organization and Preparedness	F	W	S
Respects others materials			
Independently organizes of materials and personal belongings			
Learning Behaviors	F	W	S
Learns independently and seeks help when needed			
Takes responsibility for own learning
