FINANCIAL RATING NOTICE: While GBS does not guarantee the financial viability of any health insurance carrier or market, it is an area we recommend that clients closely scrutinize when selecting a health insurance carrier or HMO. There are a number of rating agencies that can be referred to including, A.M. Best, Fitch, Moody's, Standard & Poor's, and Weiss Ratings (TheStreet.com). Generally, agencies that provide ratings of U.S. Health Insurers, including traditional insurance companies and other managed care (e.g., HMO) organizations, reflect their opinion based on a comprehensive quantitative and qualitative evaluation of a company's financial strength, operating performance and market profile. However, these ratings are not a warranty of any insurer's current or future ability to meet its contractual obligations.

Gallagher may receive supplemental compensation from insurance carriers and vendors, normally calculated at the end of each calendar year, that are contingent on a number of factors including the overall number of employer plans represented, plan retention rates, and overall premium growth. Historically, supplemental compensation has ranged, on average, between 0-3% based on specific carrier programs. These plans have no effect on premiums. Further, Gallagher may receive non-cash compensation from plan vendors or service providers that are not in connection with any particular client. If you have any questions regarding direct or indirect compensation received by Gallagher, please contact your dedicated Gallagher advisor or refer to the Gallagher Global Standards of Business Conduct (<https://www.ajg.com/us/about-us/global-standards>).
